

Projects to be Ranked in the 2015 CoC Application to HUD

UNITY staff have received and reviewed for completeness all renewal applications. The UNITY Evaluation and Project Selection Committee reviewed and selected new project sponsors for the bonus projects and for renewal projects needing a new project sponsor.

As a result of these reviews, the below list of the projects have been accepted for inclusion in the 2015 CoC Application for the New Orleans/Jefferson Parish Continuum of Care (LA-503). The projects listed below will be ranked by the Evaluation and Project Selection committee using the project evaluation score and the prioritization established by the committee reflecting HUD prioritization criteria. The approval of the project prioritization rankings will be voted on at the meeting of the Service Providers and Professionals Association on November 13. After the meeting, the ranking list and the CoC application will be available on UNITY's website www.unitygno.org.

Separate correspondence will indicate projects that are renewed at less than full renewal amounts with a portion reallocated to fund new priority project(s) established the CoC.
